Nestled on the doorstep of Zion National Park, Del Webb is the launching pad for adventure and spectacular views.

A great traditional camping experience for boys of all ages awaits you and your Scouts at Del Webb. All will have the chance to push the limits of their ability while hiking or backpacking on Zion's West Rim, the Narrows, Angels Landing, and the Subway on Wednesday. Other features include mountain biking through pines and aspens, climbing and rappelling, kayaking, sailing and wind surfing. Learn to shoot black powder, action archery, trail camping and geocaching.

Younger boys will enjoy the excitement of camp with many merit badges to choose from, and a host of evening activities designed to give them a taste of adventure. The mountain board course is the perfect place to test skills. Scouts can use a GPS to locate and visit a plane crash site. Most of all, everyone will enjoy taking time to look at the stars and enjoy the natural surroundings.

Del Webb is packed with new adventures, sights, and experiences that you will not be able to find at any other camp. Let us be your guide. Come and see for yourselves, this part of the country is really awesome!!
