

2017 - 2018

# Lion Pilot

PROGRAM TRAINING

**Who:** All Cub Scout Packs interested in participating in the Lion Cub Pilot Program for 2017/2018 are invited to a training to learn more about the Pilot Program.

**What:** Lion Cubs is a program for 5-6 year old Kindergarten boys. This fall will be the second year of this approved Pilot Program. If your pack wishes to be a part of this exciting Pilot Program of the National Office of the Boy Scouts of America, this is a mandatory training that needs to be attended by your pack. Also – all Cub Scout packs that will be participating in the Lion Pilot will need to designate a leader that will only be registered as a Lion Coordinator (they cannot be the Committee Chairman, Cubmaster, Den Leader, etc). They can only be registered as a Lion Coordinator in the pack.

**When:** Monday, August 28th at 6:30 PM

**Where:** Donald W. Reynolds Scouting Resource Center  
(7220 S. Paradise Rd. Las Vegas, NV 89119)

**Why:** Last year 40 selected Cub Scouts packs in the Las Vegas Area Council participated in the National Lion Cub Pilot Program. Did you know that of the 175 Lion Cubs recruited last fall, 137 of them rechartered - 78.3%. This is compared to a 59.2% recharter rate of all Cub Scouts. The pilot program will help grow your pack membership and your adult volunteers.

**Because this is a National Pilot Program, packs that wish to participate must attend a mandatory training and complete a Memorandum of Understanding to participate.**
