DAY CAMP PARENT & LEADERS GUIDE

The Las Vegas Area Council is pleased to offer Cub Scout Day Camp at Engelstad Scout Park. We know that many might have concerns about participation. The safety of our scouts, volunteers, and staff are our first concern. This Leader’s Guide as it will answer many of the questions you might have.

             $20 per leader or parent

Day Camp participants will receive: a Las Vegas Area Council face covering, snacks, day camp supplies, earn Cub Scout Adventures and have lots of fun.

Cub Scouts and all adult participants need to bring a water bottle, hat, sunscreen, and a small backpack. Participants should wear closed-toe shoes. No pets of any kind are allowed at Day Camp.

WHO MAY ATTEND

• Registration is open to any registered Cub Scout.
• We encourage Cub Scouts to register and attend as a pack. If a Pack attends, two deep leadership is required. We ask that you provide at least one leader for each 9 Cub Scouts. Remember each person attending is included in the total amount allowed per camp.

• Cub Scouts may attend with a parent.

• Cub Scouts can also be dropped off and the Council will provide leadership. Please note in this case, Cub Scouts will be placed in a group with other Scouts.

**HOW THE CAMP WILL BE ORGANIZED.**

Each day has an attendance limit of 80 people in two separate locations. This count includes any adult leaders or parents in attendance. If you need to bring other children, they must be registered as they will also be included in the count.

The day’s registrants will be subdivided into groups of 40. Each subdivided group will have up to 10 staff members in keeping with the 50-person group size limits. The staff will determine the group make-ups, but we will keep packs together. One group will participate in activities at Engelstad Scout Park and the other will participate in activities inside the Donald W Reynolds Scouting Resource Center. Halfway through the day the groups will switch locations. The subdivided groups will never mingle or come together.

At each location, each subdivided group of 40 will be further divided into small groups of no more than 10. These groups will rotate through each program station separately and will not mingle together. Despite being in the same general location. At least one staff member will be assigned to each group. The same staff will stay with each group during the entire program. Additional staff will be at program stations like BB’s and Archery to assist and clean equipment after each use.

There will be no large group activities like Flag Ceremonies or Campfire Program.

**HEALTH AND SAFETY**

• Each participant must have a completed [Annual Health and Medical Form (Parts A & B)]

• Parents must complete a [pre-Day Camp Screening].

• Each Cub Scout, parent, and adult leader will undergo a medical screening, including a temperature check upon arrival using the same document. The camp health staff will make final determination for admittance to the Day Camp. These screenings are incredibly important. Please adhere to them strictly. It will go a long way to keep all participants safe. It will also help to minimize any disappointment.
• If participants arrive together and it is determined any individual should not be admitted to the camp the entire group will be sent home.

• Face coverings are encouraged and will be mandatory during some activities.

• Social distancing of 6 feet between participants will be adhered to as much as possible.

• Face coverings should be worn during activities where social distancing may not be possible. (Example: An instructor helping a Cub Scout with BB’s guns)

• Hand sanitizer will be available at each program station. Staff will ensure that it is used.

• Hand washing time will be built into the schedule.

• All equipment will be sanitized between uses.

• Visitors will not be allowed. If a participant must leave and return another screening will be completed upon return.

• Adult leaders and parents in attendance will be asked to help ensure that all standards are followed.

• If a participant feels sick or develops symptoms during the day, they will be isolated from the group with a member of our health staff. Parents or Guardians will be notified to pick up their child.

These precautions are important, but they do not remove the potential for exposure to COVID-19 or any other illness while at camp. Some people with COVID-19 show no signs or symptoms of illness but can still spread the virus, and people may be contagious before their symptoms occur. These factors mean that an infected person may pass the required health screenings and be allowed into camp.

We also know the nature of camp makes social distancing difficult in many situations and impossible in others. The day camp has been planned and will be carried out following the guidelines published by the CDC and the state of Nevada.

Information from the Centers for Disease Control and Prevention (CDC) states that older adults and people of any age who have serious underlying medical conditions are at higher risk for severe illness from COVID-19. If you are in this group, please ensure you have approval from your health care provider prior to attending camp.

We know that each staff member, volunteer, and Scouting family has a unique set of circumstances to consider when deciding whether to attend camp. We hope this information
will be helpful as you make those choices.

PROGRAM

DAILY SCHEDULE

Schedule for One-Day Option and Day One of the Two-Day Option

7:30 a.m.  Check-In and Screenings Starts
8:00 a.m.  Station 1
8:30 a.m.  Station 2
