Pre-Day Camp Medical Screening Checklist

Use this checklist to assist in identifying potentially communicable diseases before Day Camp participation.

The intent of this checklist is to review with each youth and adult participant their current health status, both before departure and upon arrival at the event. Anyone entering the Day Camp will be screened using these questions.

Parents: Please complete this checklist before bringing or sending your Cub Scout to Day Camp.

Leaders: Please verify this information with parents before bringing Cub Scouts to Day Camp.

- Yes □ No Have you been in contact with anyone who has COVID-19 or is otherwise sick?
- Yes □ No Have you or anyone you have been in close contact with traveled on a cruise ship, internationally, or to an area with a known communicable disease outbreak in the last 14 days?

If the answer is “yes” to either of these questions, the participant must stay home.

- Yes □ No Are you in a higher-risk category as defined by the CDC guidelines?

If the answer is “yes” to this question, we recommend that you stay home. Should you choose to participate, you must have approval from your healthcare provider and then proceed to the symptom decision tree below.

If the above answers are “no,” proceed to this symptom decision tree.

Do you have any of these symptoms:
- Shortness of breath
- New or worsening dry cough
- Fever of 100.4º or greater
- Flu-like symptoms
- Vomiting
- Diarrhea

NONE

- Cough
- Unexplained extreme
- fatigue or muscle aches
- Rash
- Sore throat
- Open sore

YES to any TWO or more symptoms

THE PARTICIPANT MUST STAY HOME

These symptoms are associated with communicable diseases and the participant MUST stay home until medically cleared by their health care provider.
